"WE ALL KNEW HIS MAJESTY'S WEAKNESS FOR SOFT WHITE HANDS
-AND WE SHUDDERED" (SCENE FROM THE KAISER, THE BEAST OF BERLIN)

"THE KAISER, THE BEAST OF BERLIN"

On Monday Aug 12th the largest motion picture ever seen in Cupar will be shown at Imperial theatre for One night only. "The Kaiser the Beast of Berlin" is the title awarded it, and there is no detail left out by the producer to make it live up to its caption. It exposes the personal side of the German monarch from every angle. The dramatic and climax situations are such that make the audience stand on their feet at times. Throughout its entire length of seven reels, the audience is either hissing, cheering, or laughing, so tense is the excitement. This wonderful portrayal has had remarkable runs in the States and larger cities of Canada, and wherever shown has always been received with great praise by all critics. The super picture played the larger cities only two months ago, and in Regina it played at the high admission price of \$1.00, when they did capacity business every night, many hundreds being turned away, unable to gain admission. See it. You will never see anything like it again.

- De cada vez se torna mais difícil a retirada dos alemães na frente ocidental, os quais estão organizando uma frente de resistência para proteger as munições acumuladas na sua retaguarda.
- Aos que se entretêm em fazer cálculos acerca do local onde deverá ser feita a paz, responde-se, na Inglaterra, que ela só será firmada em Berlim ou Potsdam.
